

Who We Are

CEO of 2 TEACH LLC

Wendy W. Murawski, Ph.D.

Dr. Wendy Weichel Murawski, Full Professor, received her Ph.D. in Special Education with emphases in Research, Co-Teaching, and Educational Administration at the University of California, Riverside in 2001. During her doctoral work at UCR, Dr. Murawski worked as a Lecturer and then Assistant Professor at California State University, Northridge in the area of Mild/Moderate disabilities. Dr. Murawski began her doctoral work at the College of William and Mary in Williamsburg, Virginia, where she also completed her Educational Specialist (Ed.S.) degree in Educational Administration, her Masters (M.Ed.) degree in Special Education, and her Bachelors (B.A.) degree with a double major in German and Comparative Literature. Dr. Murawski has worked as a secondary resource specialist and German teacher in Virginia, and as a resource specialist in California, prior to being hired by CSUN. Her primary areas of interest for research and consulting purposes are in collaboration, inclusion, co-teaching, staff development, block scheduling and strategies for students with mild/moderate disabilities. Dr. Murawski has been very active with numerous organizations; she is the co-advisor for the CSUN Student Council for Exceptional Children (CEC) as well as the California State Student CEC chapter. She was the secretary for the Teacher Education Division for CEC, on the executive board for the Developmental Disabilities Area Board X, and the Chair of the Mild/Moderate Disabilities committee for the Department of Special Education at CSUN. She is currently the Director of Research for the CHIME Institute (www.chimeinstitute.org), the President and CEO of 2 TEACH, LLC, an Associate Editor for the Journal of Educational and Psychological Consultation, as well as on the Board of Reviewers for multiple other journals. Dr. Murawski is a nationally known presenter on the topic of co-teaching and is highly published in the area of collaboration and co-teaching, with a specific focus on the secondary level.
